

SANSONE

COME FARE PER...

... CAMBIARE nome utente, indirizzo email e password

Da pc o da smartphone, all'indirizzo <https://sansone.clsoft.it>

Accedi a [Sansone](https://sansone.clsoft.it) con il nome utente ricevuto via mail e la tua password

The image shows two screenshots from a smartphone. The left screenshot shows the user profile page with a 'Modifica utente' button circled in red. The right screenshot shows the 'Profilo Utente' page with three sections: 'Modifica nome utente', 'Modifica indirizzo e-mail', and 'Modifica Password'. Each section has a '1' in a blue arrow pointing to the input field and a '2' in a blue arrow pointing to a 'Cambia' button. The 'Cambia Nome Utente', 'Cambia e-mail', and 'Cambia Password' buttons are also circled in red.

... AGGIUNGERE Sansone alla schermata Home del proprio smartphone

The image shows three screenshots from a smartphone. The first screenshot shows the Sansone app page with the 'Add to Home Screen' button circled in red and a '1' in a blue arrow pointing to it. The second screenshot shows the 'Install this app' dialog with the 'Add to Home Screen' option circled in red and a '2' in a blue arrow pointing to it. The third screenshot shows the 'Add to Home Screen' dialog with the 'Add' button circled in red and a '3' in a blue arrow pointing to it.
